Welcome...

...to the 48th Annual Edgar Brothers Bull Sale! What an unbelievable time to be in the cattle business! As I write this letter, I cant help but think about how proud we all are to be apart of such a great industry. The American rancher is the most resilient, determined and quite frankly craziest occupation you can be apart of. Everyone still apart of it is a survivor and to you we tip our hats.

Like always, we continue to strive to make cattle that work in all aspects of the beef industry. We believe that too much in one direction will ultimately sacrifice other traits. For example, we feel if you select for only carcass traits that in time you will breed a lot of the maternal traits out of your cowherd. We try to land in the middle when breeding cattle. We strive for balanced cattle that have mothering ability, performance and an adequate amount of carcass. We feel our cattle are designed for the commercial cow-calf producer. Once again we feel this offering is as strong as ever.

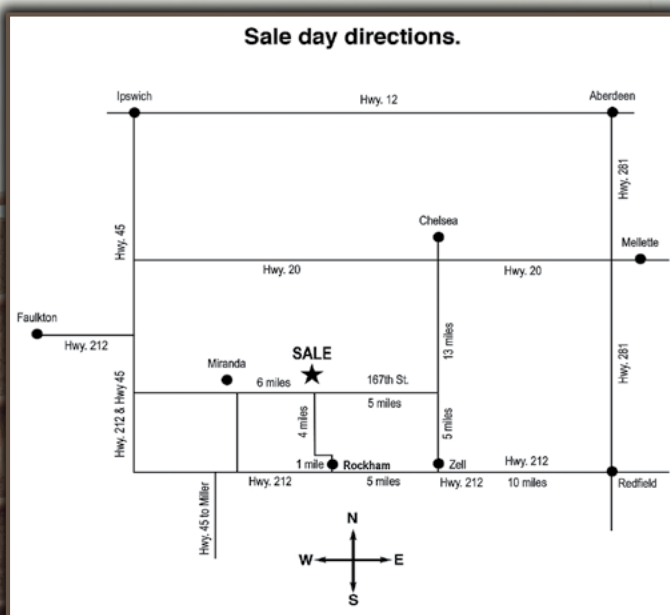

Our offering of bulls this year is good from top to bottom. The heifer calves are right out of our replacement pen. There are many donor quality heifers in this offering. If you are looking for top end bred heifers we have them as well. All heifers must be taken home sale day or within one week of the sale. We will keep the bulls until April 1st at no charge. We will deduct \$100 if you take your bull home sale day. Take advantage of our volume discounts starting at 3 bulls @ 3% up to 5 bulls @ 5%. If you have any issues with your purchases dont hesitate to contact us and we will take care of it. Thank you for your support in the past and hope to see you sale day.

5307 is an absolute power house! He is an extremely long bull with as much shape and substance as any you will find. He is flawless in his design and stands on an amazing set of feet and legs. His mother and grandmother are two of the most influential cows we have ever produced. 5307 is unique in the fact that he is an extreme power bull that can be used on heifers. He leads off an impressive new sire group by Faithful.

We will retain 1/3 semen interest.

Bulls like 5313 dont come along very often, He is in the top 1% for \$M, top 2% for HP, top 2% for SC, top 3% for Milk as well as great foot scores adequate PAP and a 352 \$C! To top it all off, you will enjoy looking at him. He is a phenotype standout. If you are looking to improve nearly anything numbers related in your cattle 5313 will do it and you wont have to sacrifice quality and phenotype. His mother is a third generation donor by Thedford who has a very bright future. His great grand dam is the mother to EB chrome and she is still in production at 16 years of age.

This bull is the real deal and will be used very hard in our program as well as many custom heifer projects.

We will retain 1/3 semen interest.

55 is a big time calf with a lot of performance and excellent foot scores. His mother is a beautiful young cow by Resilient who has a bright future

Presented by Angus Genetics

**Another good V8501 son by Faithful.
A big bull with BIG figures!**

Welcome to the Edgar Brother's Annual Production Sale

One of my favorite sayings is "listen to the words of wisdom". This phrase is something I often think about when I visit Edgar Bros. The vast size of the operation, family working next to family and meeting the challenges of the harsh plains of central South Dakota always make me believe from the top down there is great wisdom here. I believe that same wisdom is being used to create the genetics for this tremendous bull and female offering. The bulls just have that Edgar look of power, width of chest and muscle. They look like real cowboys made them and that is exactly the case. There is not a part of the husbandry of cattle I don't think the Edgars haven't mastered. They do what you all do at an expert level and speak your language of cattle.

The offering is growing every year as it becomes difficult to cut this depth of quality. The ET program has ramped up to a massive level of focus, and it shows in this offering. The donor pen is ranch raised and powerful in their makeup. Designed to create bulls and females that can raise and produce genetics to reach premium levels and longevity. That is a tough task, but it is the goal. The female part of the offering has reached national prominence. When you decide to share the top end of over 600 hd of replacements I guarantee that these females can enter any donor pen and run with the best in the country. I am already seeing that in my travels. Take advantage in this elite female offering.

Life for me is about people. I'm passionate about genetics but God's purpose is people. The people at Edgars are inspiring and truly have become a gift. Honest, plain spoken, God fearing and some of the hardest working people I have ever met. Yet, in that hard work they find joy, time with kids and grandkids and the cowboy way of life. It always reminds me how special and important our way of life is. When you buy the product you get the people at Edgars, that seems like one of the best deals in the country to me.

In closing if I or any of the family can be of assistance please don't hesitate to reach out. 2026 is going to be extraordinary and we would love to help!

**God Bless,
Chris Earl**

By sale day this bull's mother will be almost 16-years-old and have an Ai sired calf at side! That doesn't happen every day. She sold a bull to Raven Angus 10-years-ago that we called Chrome. Just 3 years ago we sold another son of hers we call Prestige to Poss Angus. There are 21 Prestige sons on this year's sale. I think this is another big time herd bull that you will want to keep every daughter out of!

The Clearview calves seem to be the real deal. This one is out of a super productive young daughter of V8501 that is surely headed to the donor pen. A calving ease bull that does a lot of things right from a phenotype standpoint and also on paper! He ranks in the top 10% for 12 different traits! He will be used extensively in our herd and also on commercial heifer projects!

We will retain 1/3 semen interest.

EB Notable Sires

BALDRIDGE WAR CRY K041

AAA 20342803

The deceased herd-sire for Edgar Bros has taken the breed by storm with semen selling from \$1000 to \$3000 a straw. The more breeders that see his calves it seems the more they want to use him in their program. The \$100,000 herd-sire has the elite dam of Erica of Ellston T220 who has produced sons and daughters that receive wide interest anywhere they are presented. Baldridge War Cry ranks in the top 25% for 15 different traits, but that alone only matters if the expression is visible and measured.

Sire of 12 Lots

POSS PENDLETON

AAA 20379570

This featured herd-sire was the \$280,000 top selling bull of the 2023 Poss Angus Bull Sale. His ability to dominate type on 100's of calves at Edgars is exceptional. Deep long fronted and moderate in their type they have nicked exceptionally well on the herd at Edgars as noticed by the numerous herd-sire prospects in this offering. His elite balance of predictions have him top 25% for 18 different traits including top 1% SM.

Sire of 62 Lots

EB PRESTIGE

AAA 20340021

The top selling bull of the 2023 Edgar Bros bull sale to Poss Angus, NE has 14 different predictions in the top 25% of the breed. A rare genetic combination, Prestige has superior foot quality, excellent muscle and a much needed – 1.04 PAP prediction. Prestige is just getting going and look for his progeny in two great programs to surface in the near future.

Sire of 25 Lots

MUSGRAVE ACTION

AAA 20720181

Action is a bull we purchased out to the Musgrave sale. We are very excited about this young sire. His offspring have tons of style and performance!

Sire of 26 Lots

EB Donor Cows

EB ERICA V8501

AAA 19191193

V8501 has shown her value in the pastures and pens of a working ranch. Ranking in the top 25% for 16 different traits she adds performance and muscle to every mating. As a donor she has an ability to make her progeny visibly different in the pen because of their capacity and muscle. The progeny in this sale and replacement are herd changing. After last years sale we had the opportunity to sell half embryo interest in V8501 to Linz Heritage Angus out of Byars Oklahoma. They have turned out to be great partners and friends. We are so excited to see the impact this great cow can make on their program!

EB DIAMOND C1203

AAA 20275357

This great young female is destined to leave her mark on operations across the country. She is an extremely well balanced cow from her phenotype to her EPD profile and is back by one of our most proven cows ever to walk our pastures. Her first calf crop was very well received with progeny averaging \$15,250. Don't miss her sons by War Cry and Pendleton.

Dam of Lots 1, 7, 49 & 18

EB CLARITY 1203

Son of C1203 past high seller to Pass Creek Angus, MT

EB DIAMOND C3237

Last years high selling female to Radke Land & Cattle.

5E DIAMOND 02176

AAA 17390520

02176 is our most proven female, she has been a donor for many years and has many daughters retained in our herd! She is the mother to the C1203 cow and has countless sons across the upper midwest working in purebred and commercial herds.

Grandam of Lots 1, 7, 10, 19, 22, 25, 34, 43, 49, 55, 73, 79, 88, 142, 209 & 224

EB Donor Cows

MBG RUBY 1504

AAA 18294785

1504 is the type of cow who always has her work clothes on! She is extremely fertile and a great egg producer. She consistently weans heavy calves and breeds back AI. She is the mother to EB JB, the all time high selling bull here at \$130,000 to Richard Angus and Dixieland Angus.

Dam of Lots 145, 300 & 157

EB JB 1504

All-time high selling bull at Edgar Brothers!

MB FLOWER U754

Just like her brothers on this sale this heifer combines a lot of unique things! She is smooth made but still powerful and feminine. She has the same look as her sister that sold for \$95,000 one year ago! She has great disposition and has the makings of a real donor cow! Can't go wrong with a V8501 daughter!

EB Barbara C530

Lot 271

What an awesome opportunity to acquire an unbelievable breeding piece, EB Barbara C530 is as beautiful of a female as you will find. She is an own daughter of the deceased Baldrige War Cry who sired not only our top selling bull in 2025 but our high selling female at \$95,000. There are very few War Cry daughters in existence and although he puts a lot of phenotype in most of his offspring Barbara C530 is at the forefront! If you look at the bottom side of her pedigree she is backed by female making powerhouses such as Musgrave 316 Exclusive and Payweight 1682.

Dont miss out on your opportunity to have this high Marbling, high REA, big \$C donor prospect.

Lot 272

This is one of those heifers that your gut tells you not to sell, so that's just what we will do! She has the same look as her mother the famous V8501 who is getting national attention with her progeny! With a fresh new sire like Musgrave Action you can't go wrong. She is a March born heifer but you would never guess it! There were only 2 Action heifers born out of V8501 this year and we are selling the best one! Don't miss out on this big-time donor prospect!

Sterling Isabel 2146

Lot 305

Sterling Isabel 2146 is an own daughter of one of the greatest cows in the Angus breed, Baldridge Isabel Y69. Averaging 12 Embryos per flush we have a large embryo inventory on her and have decided to offer her for sale. We kept her natural calf as a replacement. She is as long sided, deep ribbed and feminine of a female as you will find. She is in the top 15% for teat and top 5% for udder score as well as a moderate PAP EPD. She is in the top 10% for WW and YW. This is a true sale feature of one of the few Y69 daughters in existence!

She sells bred to multiple sires. We will be throwing in 3 embryos by War Cry to whoever purchases her!

Don't miss out on this opportunity!
